

North Dakota Career Exploration Grant Announcement of (2nd round) Request for Proposals

The North Dakota Department of Career and Technical Education is accepting a second round of proposals for career exploration projects that are intended to:

- Support career exploration opportunities for North Dakota students grades 7-12, and
- Increase the number of current individual plans of study for ND students, grades 9-12.

Local education agencies, including secondary schools, approved consortia, and postsecondary institutions eligible to receive Perkins funding are invited to apply.

Priority will be given to new and innovative projects involving partnerships between secondary and postsecondary institutions, business and industry, and public or private workforce related agencies.

The number of awards is dependent upon the number and quality of proposals. For more information read the *Request for Proposal* which can be found at:
